SAINT MICHAEL'S BASKETBALL

What we're up to-

The team enjoyed a great slate of preseason scrimmages in preparation for the season and is excited to continue building chemistry on the court while taking important steps forward toward earning some big non-conference wins! Our veteran core has led the way both on and off the court, delivering some big-time performances, while our newcomers have stepped up and made an immediate impact.

We officially tipped off the season this week with back-to-back road games. After a tough loss at Caldwell (NJ), the team responded with an impressive 64-53 win at Post (CT), led by a 22-point performance from junior Margaret Montplaisir!

We are looking forward to our home opener next Wednesday, November 18, when we will proudly unveil our NCAA banner! We hope many of you can join us at the Ross to celebrate in person or tune in online via FloSports.

Off the court, we've enjoyed some special experiences as well! Professor Melissa Vanderkaay-Tomasulo led the team through a meditation session using virtual reality headsets, Father Michael Carter offered a blessing for a healthy and united season, and we continue to enjoy spending time with our favorite girl, Hazel!
